

TEACHING EVALUATION SURVEY

Please indicate your assessment in each section of the survey. The results will be used to improve the quality of teaching, and your comments will draw the instructor's attention to the strengths and weaknesses of the teaching process.

The overall grade is calculated based on criteria below.

Rating scale:

2– unsatisfactory, 3 – satisfactory, 4 –good , 5 – very good

0– I don't know/ did not participate

How do you rate?
